ABOUT US

RADHA RANI WIRE PRODUCT is a company that involves its business in wiring accessories. Established in the year 2008, we commenced business motivated by the immense surge in industrial development and urbanization, thus, hoping to root a firm standing in market dominance. Our Business headquarters lies in Jaipur, Rajasthan, from where we conduct client alliances in many corners of the entire country. We have involved ourselves as the leading Manufacturer, Exporter, and Supplier in products such as ACSR Core Wire, STAY Wire, PC/HT Steel Wire, High Carbon & Mild steel (GI) Steel Wire, Rolling Shutter Spring Steel Wire, Black Drawn Steel Wire and many more.

To make our products perfectly reliable, we depend on a strict and stringent set of quality checks and parameters spread throughout the production line. This ensures that the most desirable range of products is rendered to meet the demands of our clients. The raw ingredients are obtained from the most reputed and elite vendor alliances vendor base available in the industry. Our experts run thorough tests to feed the best standard materials into the manufacturing process.

We have employed 51-100 individuals to look after all the production-related procedures in the facility. They perform in collaboration to achieve output in bulk. All their work goes under the roof of an ultra-modern facility that provides a highly conducive environment for the formulation of output. We have proved our competency for mass production since our inception, combined with delivery services within the required time frame. We enjoy a massive clientele, who provide us the opportunity to serve them with utter satisfaction and convenience.

QUALITY ASSURANCE

Being a quality-conscious firm, the company's sole motto is to provide a premium assortment of wiring solutions to meet the needs and requirements of the customers. We try to disperse products that meet that exhibit the most desirable set of attributes and match the market's expectations.

OUR INFRASTRUCTURE

We own an infrastructural area that spreads over a huge landmass of over 60,000 sq feet area providing more than enough room to accommodate the functioning of several departments. Equipped with the most advanced and modern production liner equipment, our firm holds the promise of rendering the output that is rich in precision and reliable build.

OUR PRODUCTS

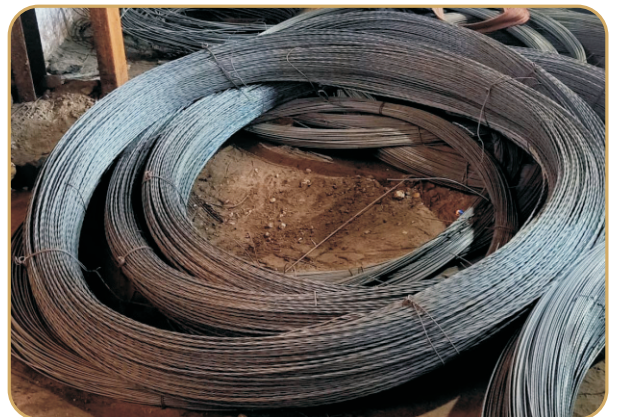

1. PC/HT STEEL WIRE

Material	Steel
Brand	RRWP
Usage/Application	PCC Poles Reinforcement Pre-stressed concrete Boundary wall Construction of Building
Diameter	3mm, 4mm, 5 mm & 7mm
Color	Black
Packaging Type	Roll
Technique	Hot Rolled
Country of Origin	Made in India
IS CODE	IS : 6003 - 2010

2. 3 MM PLY PC WIRE

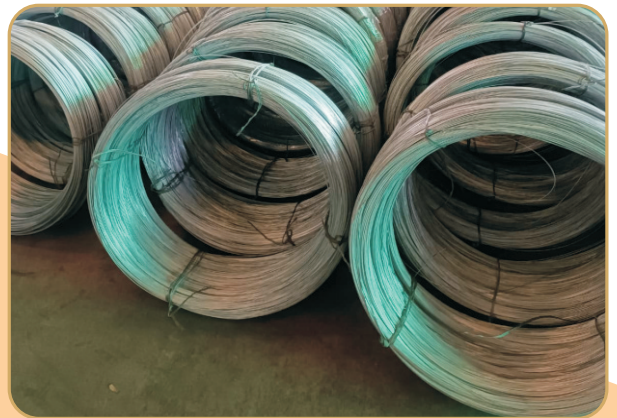

Material	Steel
Brand	RRWP
Usage/Application	Railway Sleepers Precast Boundary Walls & Precast Industry Construction of Bridges
Diameter	2.25, 3 mm 3ply
Color	Black
Packaging Type	Roll
Technique	Hot Rolled
Country of Origin	Made in India
IS CODE	IS : 6006 - 2010

OUR PRODUCTS

3. ACSR CORE WIRE

Material	Galvanised
Brand	RRWP
Usage/Application	Used in mechanized re reinforcement in the manufacture of aluminum conductors steel reinforced (ACSR)
Diameter	1.57 to 4.09 mm
Color	Silver
Packaging Type	150 kg. to 250 kg. bundles
Technique	Hot Dip Zinc Coated
Country of Origin	Made in India
IS CODE	IS : 398 - Part 2

4. G.I. STAY WIRES

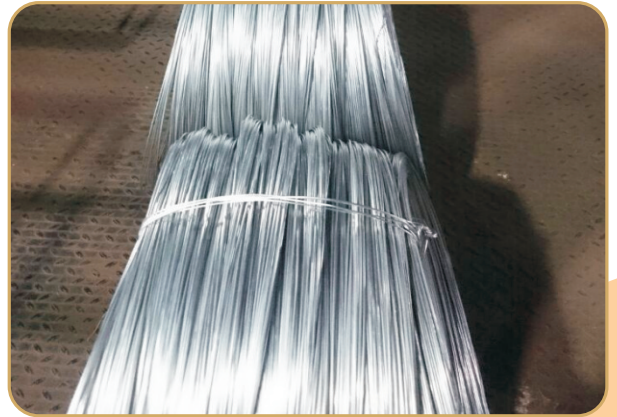

Surface Finish	Galvanized
Usage/Application	Used as tension cables to add stability to structures
Diameter	7/1.25 mm 7/1.50 mm 7/2.24 mm 7/3.15 mm 7/4.00 mm
Brand	RRWP
Material	GI Stay Wire
Packaging Type	50-100 kg Bundle
Technique	7 G.I. Wires Stranding
Country of Origin	Made in India
IS CODE	IS : 2141 - 2000

OUR PRODUCTS

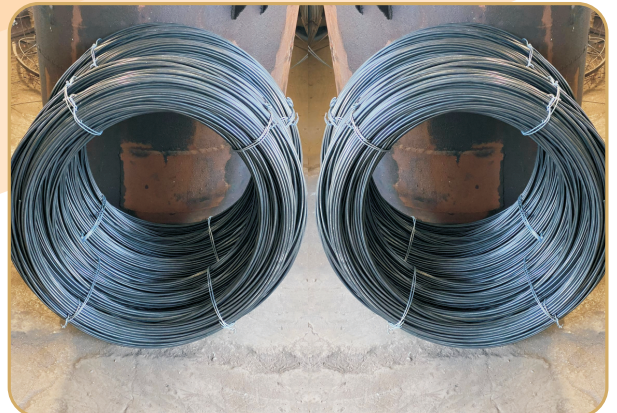

5. G.I. WIRE & G.I. EARTH WIRE

Surface Finish	Galvanized
Usage/Application	Used in various industries & for earthing purpose
Diameter	G.I. Wire - 1.6 to 6mm G.I. Earth Wire - 7/3.15 mm & 7/3.66 mm
Brand	RRWP
Material	GI Wire & Earth Wire
Packaging Type	50-100 kg Bundle
Technique	Hot Dip Zinc Coated & Stranding
Country of Origin	Made in India
IS CODE	IS : 280 - 2006 & IS : 12776

6. ROLLING SHUTTER SPRING STEEL WIRE

Material	Steel
Brand	RRWP
Usage/Application	Rolling shutter Spring & Spring industries
Diameter	5.5 mm - 7 mm
Color	Zet black
Packaging Type	Roll
Technique	Hot Rolled (Oil dipped)
Country of Origin	Made in India
IS CODE	IS : 7226
